#### Equality, Disability and Special Educational Needs

We welcome children from all ethnic groups and backgrounds. We have never discriminated, and have no intention in the future of discriminating against any child on the grounds of sex, race, religion, belief or additional needs. We will do all that we can reasonably do to accommodate the needs of children with disabilities/additional needs subject to the resources and facilities available at the time. At the time of registration, parents must inform us in writing of the full details of any disability or additional need and keep the setting updated thereafter. This information will allow us to assess if we can accommodate the child's needs and make any reasonable adjustments. We will consider all applications fairly. If any additional need or disability becomes apparent after admission, we will consult with the child's parents.

## **The Nursery**

### **Applying for a place at the Nursery**

Parents should contact the Registrar to request an application form and return it with the Registration Fee (£50) at any point after birth. Please note that there may be times where we stop accepting registration forms if the age group is heavily oversubscribed.

When allocating places, priority is given to children who are:

- Children of The Villa employees
- Children who have siblings already attending The Villa (present and then past)

In addition, the Nursery may take into account the following factors:

- Availability of spaces; taking into account the staff/child ratios, the age of the child and the applicants' registration requirements
- When the application is received
- The Nursery's ability to provide the facilities for the welfare of the child
- Extenuating circumstances affecting the child's welfare or his/her family
- The Villa's perception of the family's long term commitment to the Nursery and/or School

### **Tours of the Nursery**

Generally, tours can be arranged on Wednesdays and Thursdays between 10 and 11am. Please call the Registrar to arrange a visit.

### **Nursery waiting list**

- If we are unable to offer a place, the child will automatically remain on the waiting list for possible admission the following Autumn, as and when places become available
- We have a long waiting list and regrettably it isn't possible for us to keep parents regularly updated with regards to a child's position on the list. If your circumstances change after you have registered and you are no longer looking for a place at the nursery, we would be very grateful if you could let us know

### **Nursery intake**

The main Nursery intake takes place between September and November each year.

### **Offer of place**

- Offers are dependent on the child's age, the date current children move onto other settings and current children increasing their attendance. This means that there is no official offer date/period.
- An offer is made in writing and sent by email/post.

### **Accepting a place**

- In order to accept a place, parents must confirm acceptance, bring their original birth certificate (we will then copy) or provide a legally certified copy. and pay the deposit within 14 days of the offer letter. The deposit is currently £750 which is subject to a 14-day cooling off period from the date of the offer letter. After this time, the deposit will be retained.
- The deposit is refunded after the account has been settled.

### **Settling In**

Settling young children into a group environment is a major priority. We are very aware of the emotional vulnerability that many children feel on entering a new setting. We believe that children with high self-esteem, who feel confident in themselves and their own ability, have a head start in learning.

It is in their first few years at school that children first learn to function as a member of a large group outside their family. We aim to provide an environment where children can develop the skills needed to cope with the emotional, social, physical and intellectual challenges they will meet, as they grow older.

Key points about our settling in procedures:

- Starting dates are staggered in order to facilitate 1:1 attention from the key worker
- The Nursery staff will work in partnership with parents/carers to settle the child into the Nursery environment
- During the first few days, parents/carers will stay with the child for sufficient time so that the child feels settled and the parent/carer feels comfortable about leaving her or him
- No child will be taken on an outing from the Nursery until he or she is completely settled
- Parents/carers are encouraged to bring in special toys or comforters to help a child settle in. Special toys and comforters are particularly helpful for the child if they are used at home at sleep time
- For the first few sessions, parents/carers should follow the following schedule:
  - 1<sup>st</sup> day: 9:30 am to 11:30 am (parents are required to stay and be in the room)
  - 2<sup>nd</sup> day: 9:30 am to 12:30 am (parents are required to stay on site)
  - 3<sup>rd</sup> day: 9:30 am to 3:00 pm (parents are welcome to leave the site but to be contactable and available if necessary)
